McDermott's Travel Club

2019 Overview

03 6330 3717

Hello again, and **welcome** new members. We look forward to sharing with you the tours we have planned for 2019.

As our membership base continues to grow and demand is constantly increasing, we will be offering even more exciting destinations and touring options both locally, interstate and overseas!

2019 will see us introduce in our **Day Tour** program a series of School Holiday Specials whereby your grandchildren can join you on a day outing. There will be some fabulous **interstate** touring including the Top End and Western Australia along with opportunities to visit shows and festivals. Our **overseas** option includes enjoying the delightful Norfolk Island in May.

We are seeking **Expressions of Interest** for interstate and international tours. Is there somewhere you've always wanted to go? Somewhere you loved so much you want to visit again? Tell us so that we can try and make it a reality!

To stay up to date with the latest communications regarding our tours please contact the office to register your email address. We will get our next Travel Club Newsletter to you by November 30 2018

Remember our interstate and overseas tours will receive door to door pick up and drop off and our day tours will depart from convenient locations in the Launceston area.

Finally, congratulations to our winner of the recent competition at the Caravan & Boat Show. The lucky Launceston resident has been contacted and will be joining us for a free day tour of their choice in 2019!
